CHALLAH FOR HUNGER

brings people together to bake and sell challah to raise money and awareness for social justice. We make a difference in the world by investing in the next generation of entrepreneurs, social activists, and philanthropists.

BAKING A DIFFERENCE

Students come together to
BAKE CHALLAH.

Chapters operate weekly,
baking and selling

30-300
LOAVES OF CHALLAH.

While the dough rises, students

**DISCUSS LOCAL AND
GLOBAL HUNGER
AND TACTICS
FOR ADVOCACY.**

HOW DOES IT ALL WORK?

LEADING TOGETHER

STUDENT LEADERS

oversee all aspects
of chapter operations.

Challah for
Hunger's national
office provides
**TRAINING AND
RESOURCES TO
EACH CHAPTER.**

Chapters also
**RECEIVE SUPPORT
& GUIDANCE FROM A
CHAPTER ADVISOR,**
a Challah for
Hunger alum.

SELLING CHANGE

THE SCENT OF FRESHLY BAKED BREAD

draws students, staff and members of the
community to purchase loaves of challah.

Students share information
with customers about
**HUNGER AND AVENUES FOR
PURSUING SOCIAL JUSTICE.**
